President's Desk

My Dear BRCians,

I am ever grateful for having been given the opportunity to preside over this august Institution and I will cherish many fond memories in the years to come. I must admit that I was a bit sceptical on certain aspects. However, I soon learnt that my worries were much unfounded. I received guidance from our Governing Body and also from several of the members from time to time and have been very fortunate and blessed to receive the continuous support of our past presidents and all the Committee members.

This is also the high time to discuss what has been accomplished in the past year and the remarkable incidents that have taken place during the year under review.

There was a demand from Members to arrange for breakfast service on all weekdays and accordingly your Club has arranged for Breakfast/Brunch (without guest charges) for all the week days except Monday, from 8 a.m. to 1 p.m.

Renovation of kitchen including Club office has also been taken up which was long overdue. You will agree, how difficult it is to renovate kitchen simultaneously without hampering Members' services. However, our Development Committee deserves a big compliment for completing the reconstruction work within the targeted time.

Many events, both in Sports and Entertainment, have taken place during the year and we are happy to note that there was an overwhelming response from the Members – both as participants and as viewers. A talk show by Smt. Deepti Naval, Bumper Diwali Tambola with a Bumper Lucky Draw, Benaras – Galiyon Se Ghat Tak on the auspicious occasion of 'Dev Deepavali', Annual Christmas Carnival (BRC on a Mission Space), a two-day affair in the extensive lawns, as well as The Grand Bazaar – Farmers' Market 2023, a tuneful evening of Grand Musical with Alka Yagnik, J K Tyre Car Rally, Linc Sit & Draw to encourage young talents, Shaam-E-Adaa, a Fashion Show wearing outfits from reputed Indian designers, Holi Sammelan with Sugandha Misra to name a few where Members' participation was overwhelming, as usual.

As you know, Rowing is the main activity of your Club, and this year also our Rowing squad participated in the 79th ARAE-FEARA Regatta hosted by Madras Boat Club (MBC) in January 2023 and it is gratifying to note that they won 10 Gold, 4 Silver and 6 Bronze medals at Chennai.

Our major sports events - Tata Structura Marathon & BRC Athletics, WESCO BRC Inter Club Sports Carnival, 9TH BRC Summer Darts Open Championship were successfully organized by the Sports Committee like earlier years.

Special mention is to be made about our Kidsology team who made insistent efforts through an assortment of workshops to bring out the hidden talent of our kids. Especially, Dharohar- A Cultural Fun Fiesta, Christmas Cookout by Lakes and The BRC Lit Fest, delighted people of all ages. The BRC Kidsology Art Carnival also was highly successful which featured nine renowned artists conducting various workshops.

Our Catering team made determined efforts to prepare superb dishes for our Members & guests as usual. While extending necessary support to all the events organized by the Club, it also prepared some special dishes like Pesto Croissant Sub Sandwich, Hummus with Pita, Veg Hot Dog, Baked Anita, Oriental Baby Potato, Watermelon Salad, Ice Cream Sandwich and Tutti Fruti etc.

Home Delivery too is receiving increasing response day by day.

It will not be out of place to mention that on the labour front, a warm relationship is being maintained with the Unions.

My profound admiration to all our dedicated staff who are working uncompromisingly for our Club. My salute to all of them.

I thank you, once again, for your support over the past year and for giving me this once in life-time opportunity to lead our very distinguished club. I thoroughly enjoyed my time and tenure as your president. My support and efforts for our club will always continue.

With Warm wishes,

Deepak Jalan

Development

The Development Committee of our club is unequivocally committed to offering top-notch infrastructure for our members and upholding high quality standards. By actively pursuing LEED and ISO certifications, we validate our organisation's commitment to being a frontrunner in sustainability and excellence.

The Banquet Halls and the Hall 1 terrace toilets were fully renovated during the year resulting in enhanced facilities and improved member experience. Despite the challenges faced, the committee completed the renovation project successfully. Since the renovations, the banquet halls have garnered a lot of appreciation resulting in a continuous increase in bookings of the halls.

BRC food is a vital part of our club. Hence, we have diligently undertaken kitchen renovations to ensure it meets the highest hygiene standards, akin to those of 5-star establishments. We anticipate the kitchen to be fully operational by the 15th of August this year.

Rowing holds immense significance within The Bengal Rowing Club, and both our President Mr. Deepak Jalan, and The Governing Body are deeply committed to enhancing rowing facilities. As part of this effort, Boat House 1 has undergone significant upgrades, along with the rowing toilets, ensuring that participating members can now enjoy clean, modern and aesthetically pleasing amenities.

In addition to the above, Office renovations have also taken place this year. Our aim is to create a congenial work environment for the staff, who are very important stakeholders of the club. We hope this has a positive impact on employee productivity resulting in improved services to our members.

These transformations would not have been possible without the support of our members. We would like to thank them for their patience and understanding while we work towards an enhanced member experience. Last but not the least, we express our gratitude to the Committee Members who have contributed their time, expertise, and resources for these renovations.

“When I feel tired, I just think about how great I will feel once I finally reach my goal.”

Gymnasium

Our gymnasium enjoys immense popularity amongst our members. It is a hub of activity and a haven for fitness enthusiasts. As you step into the gymnasium, the energy is palpable. The air is alive with the sound of clinking weights and encouraging words of trainers. The space is thoughtfully designed with modern equipment and state of the art facilities, catering to the diverse fitness need of the members.

We hope that more and more members will be encouraged to use our gym on a regular basis.

Communications

The Communications Committee plays a very important role of keeping the members updated of the various developments at the Club. The idea is to build a sense of community, which will enhance member participation & joy.

This mission is achieved through various channels:

1. Monthly Program Bulletin – published in e-form, giving details of all upcoming programs, so members can plan their calendar accordingly.
2. Waves and Words, our own in-house magazine, published on a quarterly basis. It gives a broad update on all that happened at BRC in the past 3 months and is much appreciated and looked forward to. We request all our Members to send articles and photographs, about how they have connected with the Club.
3. Other Social Media Channels ... Facebook, Instagram.
4. Media Management – The Communications Committee handles the relationship with media like The Telegraph, Sanmarg and Friends FM. BRC is now regularly and elaborately covered by print media. It helps promote the work that the Club is doing. We would like to place on record our gratitude to all our media partners for their support.
5. Members Directory 2023 – The last Members Directory was published in 2016. Lot of changes have taken place since then and many new members have joined. Hence, the Communications Committee is working to publish Members Directory 2023, incorporating all such changes.

INDEPENDENT AUDITOR'S REPORT

To the Members of The Bengal Rowing Club Report on the Audit of the Financial Statements

OPINION

We have audited the accompanying Financial Statements of The Bengal Rowing Club ("the Club"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Income & Expenditure and Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Club as at March 31, 2023, its deficit and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Club in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

OTHER INFORMATION

The Club's Governing Body is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Governing Body's Report including Annexures to Governing Body's Report, but does not include the Financial Statements and our auditor's report there on.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

The Club's Governing Body is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Club in accordance with the accounting principles generally accepted in India, specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Club and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Club or to cease operations, or has no realistic alternative but to do so. Those charged with governance are also responsible for overseeing the Club's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Club has adequate internal financial controls system in place and operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in paragraph 2(g) under the heading "Report on Other Legal and Regulatory Requirements" of our Independent Auditors' Report of even date in respect to the internal financial control under clause (i) of sub-section 3 of section 143 of the Act of The Bengal Rowing Club for the year ended 31st March 2023, we report that:

We have audited the internal financial controls over financial reporting of The Bengal Rowing Club ("the Club") as of 31st March, 2023 in conjunction with our audit of the financial statements of the Club for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Club's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Club considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Club's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Club's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Club's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

A Club's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Club's internal financial control over financial reporting includes those policies and procedures that pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Club; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Club are being made only in accordance with authorizations of management and directors of the Club; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Club's assets that could have a material effect on the financial statements.

Inherent limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Club has, in all material respects, maintain an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the Club considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
